

# CURRICULAR PRACTICAL TRAINING (CPT)

## **CPT 591 Workplace Practicum I**

20 Lab Hours, 1 Quarter Credit Hours

In this optional course, students will use knowledge gained through previous coursework in the master's program with planned and supervised work experiences in the public or private sector. The course allows students to enhance the practical skills necessary for success by being exposed to the reality of the world of work beyond the boundaries of the campus and enhancing their self-confidence and career direction. Students are required to provide bi-weekly status reports to the Graduate Director while enrolled in this course.
