

MANAGEMENT, ESPORTS (MGE)

MGE 101 Introduction to Esports Management

4 Class Hours, 4 Quarter Credit Hours

Students explore the esports industry, from its early development through today and trends as the industry matures. In addition, students learn about careers in the field, and the role of managers in esports and affiliated industries.

MGE 121 Esports Competition Lab

2 Lab Hours, 1 Quarter Credit Hours

Students will explore diverse genres of online games, focusing on competitive multiplayer gaming. They will practice competitive play against peers in the gaming lab.
